

○ Circle Hooks in Commercial, Recreational, and Artisanal Fisheries: Research Status and Needs for Improved Conservation and Management

pp. 371-391(21)

Authors: *Serafy, Joseph E; Cooke, Steven J; Diaz, Guillermo A; Graves, John E; Hall, Martin; Shivji, Mahmood; Swimmer, Yonat*

Favourites:

★ ADD

○ Scientific and Stakeholder Perspectives on the Use of Circle Hooks in Recreational Fisheries

pp. 395-410(16)

Authors: *Cooke, Steven J; Nguyen, Vivian M; Murchie, Karen J; Danylchuk, Andy J; Suski, Cory D*

Favourites:

★ ADD

○ Incorporating Circle Hooks Into Atlantic Pelagic Fisheries: Case Studies from the Commercial Tuna/Swordfish Longline and Recreational Billfish Fisheries

pp. 411-422(12)

Authors: *Graves, John E; Horodysky, Andrij Z; Kerstetter, David W*

Favourites:

★ ADD

○ Catch Rates with Variable Strength Circle Hooks in the Hawaii-Based Tuna Longline Fishery

pp. 425-447(23)

Authors: *Bigelow, Keith A; Kerstetter, David W; Dancho, Matthew G; Marchetti, Jamie A*

Favourites:

★ ADD

○ Effects of Hook and Bait on Targeted and Bycatch Fishes in an Equatorial Atlantic Pelagic Longline Fishery

pp. 449-467(19)

Authors: *Coelho, Rui; Santos, Miguel N; Amorim, Sérgio*

Favourites:

★ ADD

○ The Effect of Circle Hooks on Shark Catchability and At-Vessel Mortality Rates in Longlines Fisheries

pp. 469-483(15)

Authors: *Godin, Aurélie C; Carlson, John K; Burgener, Valérie*

Favourites:

★ ADD

○ Effects of 16/0 Circle Hooks on Pelagic Fish Catches in Three South Pacific Albacore Longline Fisheries

pp. 485-497(13)

Authors: *Curran, Daniel; Beverly, Steve*

Favourites:

 ADD

Circle Hook Performance in the Uruguayan Pelagic Longline Fishery

pp. 499-511(13)

Authors: *Domingo, Andrés; Pons, Maite; Jiménez, Sebastián; Miller, Philip; Barceló, Caren; Swimmer, Yonat*

Favourites:

 ADD

Anatomical Hooking Location and Condition of Animals Captured with Pelagic Longlines: The Grand Banks Experiments 2002–2003

pp. 513-527(15)

Authors: *Epperly, Sheryan P; Watson, John W; Foster, Daniel G; Shah, Arvind K*

Favourites:

 ADD

Evaluation of Hook and Bait Type on the Catch Rates in the Western North Atlantic Ocean Pelagic Longline Fishery

pp. 529-545(17)

Authors: *Foster, Daniel G; Epperly, Sheryan P; Shah, Arvind K; Watson, John W*

Favourites:

 ADD

Circle Hook Size and Spacing Effects on the Catch of Pacific Halibut

pp. 547-557(11)

Authors: *Leaman, Bruce M; Kaimmer, Stephen M; Webster, Raymond A*

Hook Effects on Seabird Bycatch in the United States Atlantic Pelagic Longline Fishery

pp. 559-569(11)

Authors: *Li, Yan; Browder, Joan A; Jiao, Yan*

Favourites:

 ADD

Performance of Non-Offset and 10° Offset 18/0 Circle Hooks in the United States Pelagic Longline Fishery

pp. 571-587(17)

Authors: *Rice, Patrick H; Serafy, Joseph E; Snodgrass, Derke; Prince, Eric D*

Favourites:

 ADD

Can Circle Hook Offset Combined with Baiting Technique Affect Catch and Bycatch in Pelagic Longline Fisheries?

pp. 589-603(15)

Authors: *Richards, Paul M; Epperly, Sheryan P; Watson, John W; Foster, Daniel G; Bergmann, Charles E; Beideman, Nelson R*

Favourites:

 ADD

Hooking Survival of Fishes Captured by the United States Atlantic Pelagic Longline Fishery: Impact of the 2004 Circle Hook Rule

pp. 605-621(17)

Authors: *Serafy, Joseph E; Orbesen, Eric S; Snodgrass, Derke JG; Beerkircher, Lawrence R; Walter, John F*

Favourites:

 ADD

Perspectives on the Morphological Elements of Circle Hooks and Their Performance in Pelagic Longline Fisheries

pp. 623-629(7)

Authors: *Yokota, Kosuke; Mituhasi, Takahisa; Minami, Hiroshi; Kiyota, Masashi*

Favourites:

 ADD

Survival of Red Grouper (*Epinephalus Morio*) and Red Snapper (*Lutjanus Campechanus*) Caught on J-Hooks and Circle Hooks in the Florida Recreational and Recreational-for-Hire Fisheries

pp. 633-646(14)

Authors: *Burns, Karen M; Froeschke, John T*

Favourites:

 ADD

Effect of Circle Hook Size on Reef Fish Catch Rates, Species Composition, and Selectivity in the Northern Gulf of Mexico Recreational Fishery

pp. 647-665(19)

Authors: *Patterson III, William F; Porch, Clay E; Tarnecki, Joseph H; Strelcheck, Andrew J*
