34

Features

22 Training and crewing

Uniting maritime training standards to make training easier for seafarers and employers

28 Equipment servicing

Putting a price on safety in a climate of cuts can be tough for servicing companies

34 Tanker safety

PSC problems can lead to detentions but having a strong SMS can avoid deficiencies

on the cover

Italian firefighters conduct search operations on cruise ship *Costa Concordia* on 15 January. The vessel hit a rock off the Italian island of Giglio at 21.30 on 13 January and later capsized, leaving 17 people dead and 16 more missing. *Safety at Sea's* extensive coverage of the incident begins on **page 6**
