18 Safety at Sea Awards review

Find out who took home the prizes in our full review of the 2012 SAS Awards

24 Security

Onboard security guards are becoming popular, but who checks their credentials?

32 Container ship safety

A solution to the problem of overweight containers could lie in a change to SOLAS

on the cover

Safety at Sea
Deterrent effect
An armed onboard security guard scans the horizon for threats. The use of such guards seems to have had a strong discouraging effect on pirates, leading to a fall in vessel seizures, but who ensures that maritime security teams have the proper credentials? Our full story can be found **on page 24**

Regulars

4 Our say

The Queen's Diamond Jubilee wasn't the only major event held on the Thames in June, notes SAS's managing editor

5 Your say

A cadet has no regrets, while a master wants to talk about cats and dogs

6 News

Cuts likely, says new EMSA chief; *Union Moon* master jailed; *Alaed* controversy; *Clipper Point* report; U-turn on TWIC; Philippines moving slowly on MLC 2006

14 Security news

Seychelles anti-piracy plans; pirates push back Puntland forces; *Liquid Velvet* release; anti-piracy effort praised by minister

16 Training news

Mentoring on the menu; LSA training in Greece; industry gets ready for MLC

40 Regulation insight

IMO aims to combat lifeboat hook failure

41 Products

A PLB with a long-life battery and a hybrid lifejacket for RIBs and rescue boats

42 Safety briefing

Fatigue causes a grounding, while poor operations lead to crushed crew member

44 MARS

Analysing a collision and oil spill in a TSS, and a fire in a bulker's engine room
