June 2013, Vol 47, No 532

## Features

### 22 Lifesaving appliances

Why rules on lifejacket stowage on cruise ships are set to change for the better

### 30 Nor-Shipping 2013 preview

The year's biggest shipping exhibition is on the horizon and safety will top the agenda

### 42 Offshore safety

Confidential accident reporting systems haven't taken off in the sector – why?

## on the cover

In an emergency, finding a route to a lifejacket through the maze of a mega cruise ship is a daunting prospect – especially if you have to return to your cabin to get one. New CLIA guidelines will mean passengers collect their lifejackets from muster stations instead. Read our full analysis beginning **on page 22**

## Regulars

### 4 Our say

Why some flags should redefine the 'transparency' of their accident reporting

### 5 Your say

A culture of fear, intimidation and poor standards is alleged on the Black Sea

### 6 News

Carnival's fleet hardware overhaul; piracy trends drop; action demanded on casualty reporting; power brokers 'could cut piracy'; *Ouest France* and *Ambassadeur* collide

### 16 Security news

Gulf of Guinea piracy at 'stalemate'; Egypt suspects arms smuggling; France could allow ship guards; Ecuador piracy rise

### 19 Training news

Lifeboat training in focus; Vstep simulators for Indonesian Navy; human element on the screen; ABS Singapore professorship

### 48 Regulation insight

Understanding the Maritime Labour Convention 2006

### 49 Products

Cheaper chat and broadband services at shore speeds are offered on board

### 50 Safety briefing

Dangerous lifting practices, a lifeboat drill gone awry and deck cargo shifts to discuss

### 52 MARS

Learning lessons from an ankle injury

### 58 View astern

Bomb-eating squids and recycled chairs
