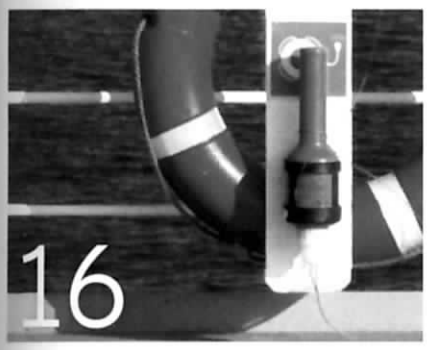
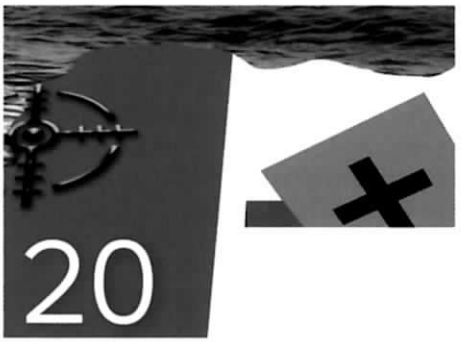
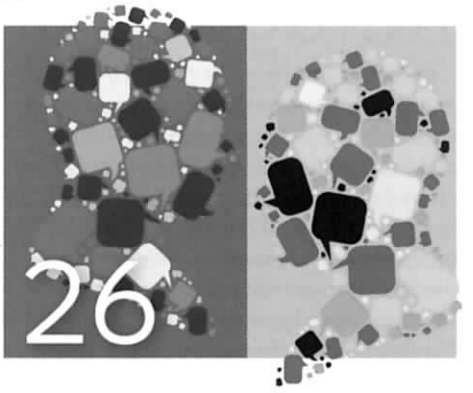
contents

March 2015, Vol 49, No 553







Features

16 Cruise ship safety
Momentum to enact new cruise safety measures shows no signs of abating

20 Security and piracy
Kidnappings fears in west Africa, increasing violence in Asia and 2014 piracy statistics

26 Training and education
Cultural misunderstandings among crew can have disastrous consequences

on the cover

Car carrier *Hoegh Osaka* spent nearly three weeks grounded in the Solent channel after the master and pilot were forced to take emergency action when the ship began listing on 3 January. **On page 7** we look at what happened and the 'team effort' that brought the vessel back to port
