

# INTERNATIONAL JOURNAL OF ELECTRICAL ENGINEERING

---

December 2015

Volume 22, No. 6

## CONTENTS

Research on the Optimal Dispatch of Active Distribution Network Including Energy Storage System.....	
..... Jing-Jing Si, Feng Zhao and Jijuan Wang .....	189
Quantitative Assessment for the Vulnerability of Cyber-Physical System Based on Attack Graph .....	
..... Jiahui Huang and Dongqin Feng .....	201
Model and Performance for Nanometer MOSFET Device and Current Mirror Circuit Considering Random Dopant Fluctuation .....	
..... Wei-Feng Lü, Guang-Yi Wang, Mi Lin and Ling-Ling Sun .....	209
Intelligent Coding Scheme with Grey Wolf Algorithm to Fetch Better Solutions for Fossil Fueled unit Commitment .....	
..... J. Rameshkumar, S. Ganesan, S. Subramanian and M. Abirami .....	215
