Not so quiet on the west African front

### 33 Regulation insight

Mitigating the cyber menace

### 34 Safety briefing

What caused a man overboard fatality during cargo loading?

### 36 MARS

A serious head injury from a mooring line snap-back and other case studies for discussion

### 39 Products

Viking gets approval for tallest chute; telematics brought to VDR

### 42 View astern

Film depicts the pirate's point of view

**on the cover**

Despite legislation and company policies restricting or banning alcohol on board ships, the drunken sailor is still with us. In our feature starting **on page 22** we look at the concerns raised by the MAIB's recent report into 2015's *Lysblink Seaways* grounding
